1. It is noted that [REDACTED] Reports Nos. V-71 and V-72 did not include the annual rentals of the reported properties in Block 13-D, as required. Please forward such information by dispatch at your first convenience.

2. In addition, it is noted that the Mission has indicated in Block 13-A of [REDACTED] Report No. 46 (S-13) that the lease covering the reported property begins on 15 November 1954. Is the assumption correct that such date should be 15 November 1953?
